INFO : Acting Chief, Staff Engineering Division, OC-E
Secretary, OC Equipment Board

PRS-4

REF : ESD-M75-004, dated 24 January 1975

1. The undersigned has discussed the referenced memorandum with the Chairman of the OC Equipment Board. He has agreed with the recommendation made in paragraph 4 of the reference, that the SCEL contain only those equipments to be acquired "sole-source".

2. In view of the above, the original memorandum requesting SCEL action for the PRS-4 is hereby rescinded. The PRS-4 is still a new OC standard, however, and therefore should be documented into the supply system as MCC-1.
